

TINNA RUBBER AND INFRASTRUCTURE LIMITED

(HIGHLIGHTS OF THE YEAR)

Tinna Rubber and Infrastructure Limited (TRIL) has transitioned from a Bitumenous Products Company to a fully Integrated Waste Tyres Recycling Company.

TRIL has set an example in the industry by converting Waste to Wealth by aggressively promoting the concept of recycling of truck/bus, radial (TBR) tyres for reuse in new tyres, conveyor belts, road construction etc.

TRIL has developed and commercialized new product lines for manufacturing high tensile reclaim rubber in its plants, located at Panipat (Haryana) and Wada (Maharashtra).

TRIL achieved a diversified product folio during the financial year 2016-17, by increasing the contribution of sales from non-road sector to 58% compared to 43% in the previous year. This de-risks the company from being overly dependent on any one sector.

TRIL has expanded its strong and robust customer base. The company successfully added esteemed companies like JK Tyres, Balkrishna Tyres, Mahindra CIE Automotive, Kalayani Group etc., to its list of illustrious customers.

TRIL opened new export markets, its efforts resulted in successful execution of export contract for supply of Crumb Rubber to Dubai (U.A.E), South Africa, Australia and Sri Lanka. We hope to further build on this during financial year 2017-18.

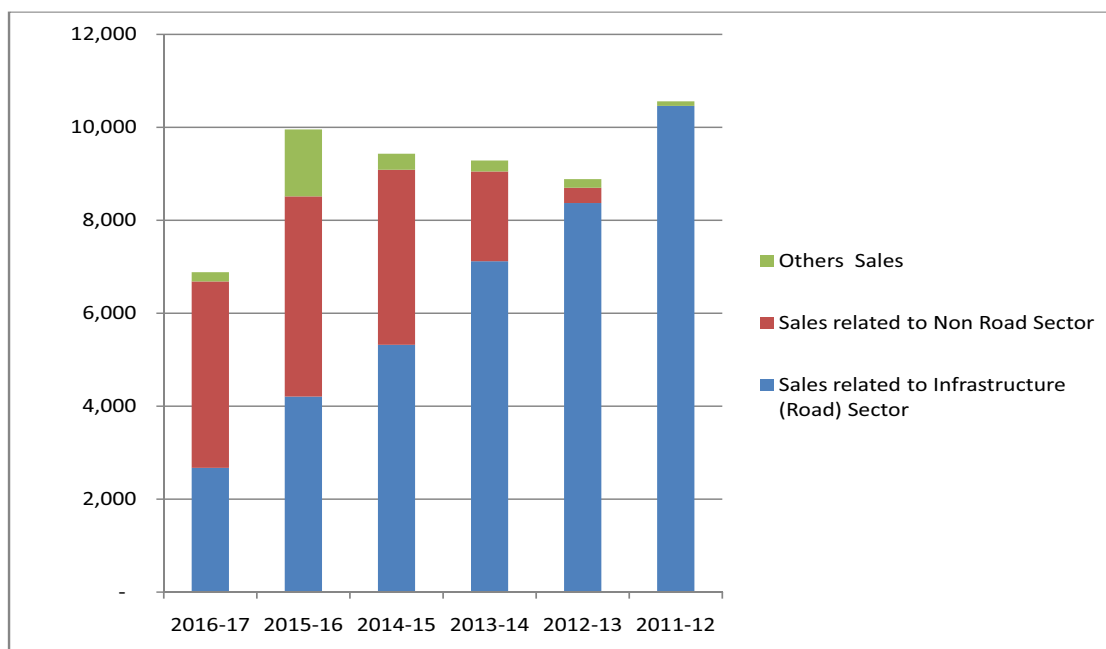

TRIL'S tender for processing (Operation and Maintenance) of Crumb Rubber Modified Bitumen (CRM) for Indian Oil Corporation Limited (IOCL) at Haldia, West Bengal, has been accepted by IOCL. This a three year contract that will yield steady income and higher sales of CRM.

CHAIRMAN'S MESSAGE

Dear Stakeholders,

It gives me immense pleasure to welcome you, to the 30th Annual General Meeting of the Company.

The Global economy continued to expand only at a moderate rate of 3.1 per cent in 2016. Global Trade growth has been sluggish from the past couple of years, mainly due to slow and uneven economic recovery in major developed economies and moderate growth in developing economies.

However the good news is that Indian economy is now in growing mode, the gross domestic product grew 7.1 per cent in the Financial Year 2016-17. India surpassed China's growth rate. There is sign of acceleration and improvement both in manufacturing and service sectors. The long-term growth prospective of the Indian economy is positive due to its young population, corresponding low dependency ratio, healthy savings & investment rates and increasing integration into the global economy. I remain optimistic that India will outpace its peer group countries and will continue to show robust growth in the near future.

I am pleased to share with you that the company has transitioned from a Bitumenous products company to a fully integrated waste tyres recycling company and revenue contribution from Non Road Sector is increasing year by year, which de-risk the company from being dependent on any one sector only.

I also take this opportunity to congratulate our Hon'ble Prime Minister and Finance Minister in steering the introduction of Goods and Services Tax (GST). We expect that implementation of GST, would boost transparency and uniformity in the economy including for your Company's products.

Your Company is a leading manufacturer of Crumb Rubber Powder, which acts as a substitute to Natural Rubber. The low prices of Natural Rubber, impacted our business too and the year 2016-17 has not been an encouraging and favourable year for the Company's products, also reflecting the downward trends of the overall economy. The scheme of Demonetisation had aggravated the situation. The decrease in revenue and profitability, mainly resulted due to slump in the commodities markets and general recession in the products made by the Company viz. Rubber, Steel Abrasives etc. The Company had also incurred a major Capex on its forward integration, which resulted into increased Interest cost and Depreciation expense, during the year. I believe that challenging times are good and necessary, as it forces you to become more efficient and think innovatively. The Financial Year 2016-17 was such a year for your Company and our learnings from it, have made us wiser and stronger.

Our focus has not only been on processing of rubber and production of rubber products, but also on research and development. The Company has stabilized its steel wire processing plant to make value added Hi Carbon Steel Abrasives from the scrap wire segregated from the end of life (waste) tyres. These are extensively used for shot blasting, shot peening and other surface treatment applications. The most notable accomplishment, is our ability to successfully diversify the Company's revenue verticals and as a result, reducing the Company's dependency on the road and infrastructure sector. In earlier years Crumb Rubber Modifier (CRM) and other road related products having application in the infrastructure sector has been the mainstay of the Company's sales mix. The management consciously decided to reduce its dependence on this sector. During the financial year 2016-17, the contribution of non-road sector rose to approximately 58% compared to 43% in the financial year 2015-16 & nil in financial year 2011-12. This was achieved by management vision, extensive research & development and qualitative improvements to Crumb Rubber and commencement of manufacturing of Hi carbon steel abrasives & Hi Tensile Reclaim Rubber.

Our differentiator is that we “don't” shred waste tyres, we “de-construct” the tyre to derive maximum value from the rubber and steel present therein. Tyres are built to last. However the very same properties that make them durable also make them difficult to break down. Disposing of tyres in landfills or stockpiles can cause severe environmental and health concerns. In many cases, tyres stockpiles end up being burnt, releasing toxins and pollutants into the air, water and soil. Recycling tyres translates into reduction in emissions and most importantly, a reduction in the amount of raw rubber needed for manufacturing, which ultimately contributes to preserve natural resources like crude oil.

As part of forward integration the Company has already started the state of art most modern additional lines to produce Hi Tensile Ultrafine Reclaim Rubber & Ultrafine Tyre Crumb, in its plants, located at Panipat (Haryana) and Wada (Maharashtra).

Further I am delighted to inform you that our esteemed list of customers include leaders in tyre industry, where there is two to three years process to commence commercial supplies. This creates a time based entry barrier for others. Our fine grade high quality crumb rubber is being supplied to prestigious customers like APOLLO, CEAT, JK TYRES amongst others. The auto components industry is also bound to grow as India consolidates its position as a manufacturing hub. This will result in higher demand for steel abrasives. Also our efforts have resulted in successful execution of export contract for supply of Crumb Rubber to Dubai (U.A.E), South Africa, Australia and Sri Lanka. Globally demand for REACH(Registration, Evaluation, Authorisation and Restrictions of Chemicals)compliant products is increasing, we are well placed to benefit from it, due to our capability in making REACH compliant products. Further efforts are in progress to improve the exports business and increase in the business share.

The Company's tender for processing (Operation and Maintenance) of Crumb Rubber Modified Bitumen (CRMB) for Indian Oil Corporation Limited (IOCL) at Haldia, West Bengal, has been accepted by IOCL, having total amount of Rs.2.93 Crores(without applicable taxes), for 3 years, which will result in higher sales of CRM in coming years. With renewed focus of Government of India on infrastructure and special stress on Road Development, the Government spending on infrastructure development is expected to increase the demand of bitumen modifier and modified bitumen and other related products. In view of this, the long term outlook of bitumen modifier/modified bitumen and allied products of the Company also remains positive.

The Board of Directors of Tinna Rubber and Infrastructure Ltd. (TRIL) and Tinna Trade Ltd. (TTL) had approved the Scheme of Arrangement (Demerger). The Separate Meetings of Secured Creditors, Unsecured Creditors and Equity Shareholders of the Company were held at New Delhi on September 17, 2016, as per the directions of the Hon'ble High Court of Delhi and the Scheme of Arrangement was duly approved at the respective meeting. Hon'ble High Court has transferred the matter to National Company Law Tribunal (NCLT) and now the matter is under consideration with Hon'ble NCLT & the company is awaiting further directions of the Hon'ble NCLT.

The coming period will be challenging and at the same time bring new opportunities for us. Over the last two to three years, we have made substantive investments to mitigate risks associated with our business and have laid the foundation for solid growth. The Company has articulated its ambition in its Vision and Mission statements, which I would look to share with you:

- **Our Vision is 'To continuously innovate and apply environment friendly technologies for conversion of waste into value added products with the aim to maximize stakeholder value.'**
- **Our Mission is 'To become the largest fully integrated waste tyre recycling company in India and amongst the top 10 in the World by 2020'.**

I would like to take the opportunity to thank the concerned departments of the Central as well as State Governments for their continued support. I also thank all our Shareholders, Bankers, Customers, Suppliers, Management Team and all employees of the Company for their consistent support and deep commitment.

Thank you for your continued support.

2. FINANCIAL REVIEW AND STATE OF COMPANY'S AFFAIRS

Main business of the Company is manufacture of Hi Tensile Ultrafine Reclaim Rubber, Ultrafine Tyre Crumb, Crumb Rubber Modifier (CRM), Modified

Bitumen, Bitumen Emulsion, Hi Carbon Steel Abrasives and allied products. Other businesses include Trading of Agro Commodities and Agro Warehousing business carried on through, wholly owned subsidiary viz. Tinna Trade Limited.

(A) STANDALONE RESULTS

During the Financial Year 2016-17, the net revenue from operations for the standalone entity decreased to Rs.6884.16 lacs, as compared to Rs.9953.61 lacs in the previous Financial Year, showing a decline of 30.84%. Loss before tax was Rs.1137.50 lacs as compared to Profit before tax Rs.294.33 lacs in the previous Financial Year. Loss after tax was Rs.697.57 lacs as compared to Profit after tax Rs.165.90 lacs in the previous Financial Year. The decrease in revenue and profitability, mainly resulted due to slump in the commodities markets and general recession in the products made by the company viz. Rubber, Steel shots etc. Decline in profitability is also because of increase in interest cost and Depreciation & amortization expenses.

As per the Qualified opinion of the Statutory Auditors (Auditors) included in their "Report on the Standalone Financial Statements-"The Company has not provided interest amounting to Rs.11,24,794/-, as required under the provisions of Section 16 of Micro, small and Medium Enterprises Development Act, 2006 in respect of delayed payments to suppliers covered under the said Act. Consequently, the profit for the year ending 31st March, 2017 is overstated to the extent."

There was delay in payment owing to non-adherence of delivery schedule by the suppliers in Micro, small and medium enterprises. Further, the above said Report also include that the matter described in the Basis for Qualified opinion paragraph above, in Auditors' opinion, does not have any adverse effect on the functioning of the Company.

Reflecting the downward trends of the overall economy, the year 2016-17 has not been an encouraging and favourable year for the Company's products. The scheme of Demonetisation had aggravated the situation. We expect that implementation of GST, would boost transparency and uniformity in the economy including for the Company's products.

(B) CONSOLIDATED RESULTS

The Audited Consolidated Financial Statements together with Auditors Report form part to of the Annual Report. The Consolidated net loss after tax, was Rs.358.80 lacs during the Financial Year 2016-17 as

compared to Profit after tax Rs.275.10 in the previous Financial Year.

In accordance with the Accounting Standards AS-21, on Consolidated Financial Statements, read with Accounting Standard AS-23 on Accounting for Investment in Associates, the audited Consolidated Financial Statements are provided in the Annual Report.

In terms of Section 134(3)(l) of the Companies Act, 2013, except as disclosed elsewhere in this report, no material changes or commitments affecting the financial position of the Company have occurred between the end of the financial year and the date of this Report.

(C) TRANSFER TO RESERVES

Considering the losses incurred during the Financial Year 2016-17, the Company does not propose to transfer any amount to the General Reserve.

(D) CHANGE IN THE NATURE OF BUSINESS

There has been no change in the nature of business of the Company during the period under review.

3. DIVIDEND

Based on Company's performance during the year, the Directors do not propose payment of any dividend for the financial year 2016-17.

4. PROJECTS AND EXPANSION PLANS

The Company is an end to end solution Company in the business of End of life (waste) tyres- sourcing, processing and manufacturing of value added products derived from waste tyres.

The Company has established nationwide foot print by setting up plants -in North- at Panipat (Haryana) and Kalaamb (Himachal Pradesh), in South at Gummdipoondi (Tamil Nadu), In East- Haldia (West Bengal) and in West at Wada (Maharashtra) for the manufacturing of Crumb Rubber powder from scrap tyres. The Company has already installed most modern additional lines for manufacturing of Reclaim and High Tensile Reclaim in its plants, located at Panipat (Haryana) and Wada (Maharashtra) and has successfully introduced high quality Ultrafine Rubber Reclaims for rubber compounding and for rubber components industry. The Company has also planned another Reclaim line at its plant located at

Gummdipoondi, Chennai, in the State of Tamilnadu. Any new initiative to develop new products and processes takes time to stabilize and additional costs are incurred in the business development. This has also impacted the Company's profitability during the Financial Year 2016-17. However, we are confident that this investment will result into a robust and strong future for the Company.

The Company's tender for processing (Operation and Maintenance) of Crumb Rubber Modified Bitumen (CRMB) for Indian Oil Corporation Limited (IOCL) at Haldia, West Bengal, has been accepted by IOCL, having total amount of Rs.2.93 Crores (without applicable taxes), for 3 years, which will result in higher sales of CRM in coming years.

5. SCHEME OF ARRANGEMENT

Board of Directors of Tinna Rubber and Infrastructure Ltd. (TRIL) and Tinna Trade Ltd. (TTL) approved the Scheme of Arrangement (Demerger). The Bombay Stock Exchange has given no adverse observation letter dated 24th May, 2016 to the said Scheme of the Company. Separate Meetings of Secured Creditors, Unsecured Creditors and Equity Shareholders of the Company were held at New Delhi on September 17, 2016, as per the directions of the Hon'ble High Court of Delhi and the Scheme of Arrangement was duly approved at the respective meeting. Hon'ble High Court has transferred the matter to National Company Law Tribunal (NCLT) and now the matter is under consideration with Hon'ble NCLT & the company is awaiting further directions of the Hon'ble NCLT.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT

As natural resources are limited, recycling has gained attention worldwide. Now companies are articulating a vision of using greater portion of recycled material in their products and formulations. The rubber industry is not an exception to this. End of life tyres are an important source of recycled rubber worldwide and its status has changed from waste to resource. The reclaim rubber industry has been developed around this reality.

Tinna Rubber and Infrastructure Limited (TRIL) TRIL has set an example in the industry by converting Waste to Wealth, by aggressively promoting the concept of recycling of Truck/ Bus, Radial (TBR) tyres for reuse in new tyres, conveyor belts, road construction etc.

TRIL is a leading player in the field of Crumb Rubber and Bituminous products and the Company has captured a substantial market share by maintaining high quality,

reliability and customer satisfaction. TRIL has established Pan India presence with manufacturing facilities located at strategic centers and near to hubs of industrial activity to produce Crumb Rubber powder from end of life (waste) tyres. Crumb Rubber Powder, which acts as a substitute to natural rubber. TRIL has already installed most modern additional lines for manufacturing of Reclaim and High Tensile Reclaim in its plants, located at Panipat (Haryana) and Wada (Maharashtra) and has successfully introduced high quality Hi Tensile Ultrafine Reclaim Rubber & Ultrafine Tyre Crumb. TRIL's Hi Tensile Ultrafine Reclaim rubber is preferred choice by the Tyre industry, Conveyor belt industry and Rubber moulded products. The Company has also planned another Reclaim line at its plant located at Gummdipoondi, Chennai, in the State of Tamilnadu.

SEGMENT - WISE OR PRODUCT - WISE PERFORMANCE

As a rubber compounder/ recycler of waste tyres your Company is playing a vital role in caring for environment by using waste tyres, which is otherwise a serious environmental and health hazard. TRIL's ecofriendly recycling of tyres involves the following process:

- a) Procurement of waste tyres from around the world and process them in an environment friendly manner, without generating any waste and pollution.
- b) TRIL's R & D team has developed various value added products from waste tyres having following innovative applications:
 - Ultra Fine Crumb: for rubber compounds, for use in rubber industry including tyres.
 - Crumb Rubber Modifier: for blending with Bitumen to make rubberized bitumen.
 - Reclaim Rubber : as a raw material for rubber product industry.
 - Hi Carbon Solid Steel Shots: for shot blasting, surface preparation applications.
 - Hi Carbon Steel Scrap: for melting and reuse.

The Company has developed and commercialized its products viz. Hi Carbon Steel Abrasives and Reclaim Rubber/ Ultra Fine Crumb Rubber. The full impact of addition of Reclaim Rubber compound and Hi Carbon Steel Abrasives to our portfolio of products should be visible in Financial Year 2017-18. Detailed figures of product wise sales are given in Note 22, in Notes on Financial Statements.

In earlier years Crumb Rubber Modifier (CRM) and other road related products having application in the infrastructure sector has been the mainstay of the Company's sales mix, your Company has consciously reduced its dependence on this sector. During the financial year 2016-17, the contribution of non-road sector rose to 58% compared to 43% in the financial year 2015-16, which is expected to further increase in future. This was achieved by extensive research and development and qualitative improvements to Crumb Rubber and commencement of manufacturing of Hi carbon steel shots & reclaim rubber.

OUTLOOK

We are pleased to inform you that the additional lines for manufacturing of Reclaim and High Tensile Reclaim, in our plants located at Panipat (Haryana) and Wada (Maharashtra) have been successfully commercialised and product has been well accepted. The company has also planned another Reclaim line at its plant located at Gummdipoondi, Chennai, in the State of Tamilnadu.

The Company has already started commercial production of Hi Carbon Steel Abrasives, which are made from high quality high carbon grade II wire, recovered from waste tyres. These are extensively used in Foundries, Casting & Forging industry and shot blasting on Pre-Engineered building steel structures, Granite Gang saw units etc. In the light of addition of Hi Tensile Ultrafine Reclaim Rubber & Ultrafine Tyre Crumb and Hi Carbon Steel Abrasives to our portfolio of products, the Company expects to grow its revenue in the coming years.

Further the Government is giving continuous thrust on Infrastructure Sector with special stress on Road Development. The Government spending on infrastructure development is expected to increase the demand of bitumen modifier and modified bitumen and other related products. In view of this, the long term outlook of bitumen modifier/modified bitumen and allied products of the Company also remains positive.

The Company has a strong market presence and immense corporate trust reposed by its customers. The Company's customer base includes reputed name like Indian Oil Corporation Ltd., Hindustan Colas Ltd., Manglore Refinery and Petrochemicals Ltd., Apollo Tyres Ltd., Ceat Tyres Ltd., Balakrishna Tyres Ltd., Alliance Tire Group (Yokohama), JK Tyres Ltd., Ralson tyres, DCM Engineering Products, Hyundai Construction Equipment (India) Pvt. Ltd., Mahindra CIE Automotive Ltd., Rico Auto Industries Ltd., Neosym Industries Ltd., Zenith Industrial Rubber Products Pvt. Ltd., IJM (India) Infrastructure Ltd. Further we are pleased to report that our efforts resulted in successful execution of

export contract for supply of Crumb Rubber to Dubai (U.A.E), South Africa, Australia and Sri Lanka. Further efforts are in progress to improve the exports business and increase in the business share.

OPPORTUNITIES AND THREATS OPPORTUNITIES

- There are opportunities to increase market penetration by launching innovative rubber related products.
- There are opportunities to reduce costs, with increased efficiency and economies of scale.
- We are seeing renewed focus of our Government to accelerate spending on road building and infrastructure, which will result in higher sales of CRM in the near future.
- The Company is engaging in the petro chemical refinery business to enhance its footprint, for marketing Bitumen modifier.
- The Company is exploring opportunities to process tyres in overseas locations.
- There is strong export demand for Crumb Rubber and Reclaim Rubber Compound and the same is being actively explored, besides the existing exports.

THREATS

- Cost of the debt continue to be the key issue. Any increase in the interest rate will have negative impact on the profitability of the Company.
- Foreign Exchange fluctuation may affect the Company adversely, as we import our major raw material viz. waste tyres.
- Invent of other better alternative product, in a fast changing global environment.
- Any increase in taxes and change in Government policies may have negative impact on the Company.
- Normal competition from other competitors.

RISKS AND CONCERNS

- Your Company follows a proactive risk management policy aimed at protecting its employees, assets and the environment, while at the same time ensuring growth and continuity of its business. Regular updates are made available to the Directors of the Company in Board

Meetings. Key risks identified by your Company are as under:

- Any economic slowdown may adversely impact the business.
- Tyres are highly inflammable and your Company's property and stock are subject to risk of loss due to fire and flood and these are mitigated with insurance and fire detecting and firefighting equipments and proper security personnel. Regular training program for employees are being organised by the Company relating to fire control.
- Any change in Government policies may adversely affect the demand/profitability of the product.
- Technology obsolescence is an inherent business risk in a fast changing world and speed of change and adaptability is crucial for survival of the business.
- The domestic, regional and global macro-economic environment, directly influences the demand of the bitumen modifier.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

A system of internal control, commensurate with the size and nature of its business, forms an integral part of the Company's corporate governance policies.

The Company has a proper and adequate system of internal control commensurate with the size and nature of its business. Some of the significant features of internal control systems include:

- Ensuring compliance with laws, regulations, standards and internal procedures and systems.
- De-risking the Company's assets/resources and protecting them from any loss.
- Ensuring the accounting system's integrity proper and authorised recording and reporting of all transactions.
- Preparing and monitoring of annual budgets for all operating and service functions.
- Ensuring the reliability of all financial and operational information.
- Forming an Audit committee of the Board of Directors.

- The Audit Committee regularly reviews audit plans, significant audit findings, controls and compliance with accounting standards and so on.
- Continuous up-gradation of IT Systems.

4.1 PERFORMANCE EVALUATION CRITERIA FOR INDEPENDENT DIRECTORS:

Board Evaluation Policy has been framed by the Nomination and Remuneration Committee (NRC) and approved by the Board. This policy has been framed in compliance with the provisions of Section 178 (2), 134(3)(p) and other applicable provisions, if any, of the Companies Act, 2013 and Regulation 17(10), 19(4) and Part D of Schedule II of the SEBI (LODR) Regulations, 2015, as amended from time to time.

The Company adopted the following criteria to carry out the evaluation of Independent Directors, which is in terms of the provisions of the Companies Act, 2013 and the SEBI (LODR) Regulations, 2015:

- The Nomination and Remuneration Committee (NRC) shall carry out evaluation of every Director's Performance.
- In addition, performance evaluation of the Independent Directors shall be done by the entire Board, excluding the director being evaluated. This is to be done on an annual basis for determining whether to extend or continue the term of appointment of the independent Director.

The Evaluation process of Independent Directors and the Board will consist of two parts:

- Board Member Self Evaluation; and
- Overall Board and Committee Evaluation.

In the Board Member Self Evaluation, each Board member is encouraged to be introspective about his/her personal contribution/ performance/ conduct as Director with reference to a questionnaire provided to them. Copies of the evaluation forms as applicable will be distributed to each Board Member. Board members shall complete the forms and return them to the Company Secretary or Board nominee or the consultant, as may be informed.

The Company Secretary or Board nominee or the consultant will tabulate the Forms. The Tabulated Report would be sent to all Board Members for evaluation and if any Director disagrees with the self-evaluated results, he/ she will suitably intimate the Chairman of the Board, else the same will be deemed to have been accepted.

The individually completed forms will be preserved by the Company Secretary and the Tabulated Report would be presented to the Board and NRC for evaluation.

Apart from the above, the NRC will carry out an evaluation of every Director's performance. For this purpose, the NRC would review the Tabulated Report. The NRC would provide feedback to the Board on its evaluation of every Director's performance and based on such feedback, the Board will recommend appointments, re-appointments and removal of the non-performing Directors of the Company.

4.2 REMUNERATION POLICY AND DETAILS OF REMUNERATION PAID TO DIRECTORS:

In determining the remuneration of the Directors, Key Managerial Personnel (KMP) and other employees of the Company, a Remuneration Policy has been framed by the Nomination & Remuneration Committee and approved by the Board with the following broad objectives:

- i. Ensuring that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully.
- ii. Motivate KMP and Senior Management to achieve excellence in their performance.
- iii. Relationship of remuneration to performance is clear and meets appropriate performance benchmarks.
- iv. Ensuring that the remuneration to Directors, KMP and Senior Management involves a balance between fixed & incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

The full text of the remuneration policy is available at on the website of the Company www.tinna.in

The Executive Directors (EDs) compensation is based on the appraisal system wherein their individual goals are linked to the organizational goals. Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of TINNA RUBBER AND INFRASTRUCTURE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31st, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under

section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis for Qualified Opinion

The Company has not provided interest amounting to Rs.11,24,794/- as required under the provisions of section 16 of Micro, Small and Medium Enterprise Development Act, 2006 in respect of delayed payments to suppliers covered under the said Act. Consequently, the profit for the year ending 31st March 2017 is overstated to the extent.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraphs, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2017;
- b) in the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016("the Order") issued by the Central Government of

India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', a statement on matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, does not have any adverse effect on the functioning of the Company.
- (f) On the basis of written representations received from the directors as on March 31st, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2017, from being appointed as a director in terms of Section 164(2) of the Act;
- (g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- (h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure 'B'; and

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (1) The Company has disclosed the impact of pending litigations on its financial position in its financial statements,
- (2) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts, if any, and
- (3) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- (4) The Company has provided requisite disclosure in Note no 32(27) to these standalone financial statements as to the holding of Specified Bank Notes on November 8, 2016 and December 30, 2016 as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on our audit procedures and relying on the management representation regarding the holding and nature of cash transactions, including Specified Bank Notes, we report that these disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the Management.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

To the Members of Tinna Rubber And Infrastructure Limited

We have audited the internal financial controls over financial reporting of TINNA RUBBER AND INFRASTRUCTURE LIMITED (“the Company”) as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 SIGNIFICANT ACCOUNTING POLICIES

2.01 Basis of preparation of Financial Statements

The financial statements of the Company have been prepared and presented in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply with all material respects with the accounting standards specified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2.02 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, as at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the Financial Statements.

2.03 Tangible fixed assets

- a) Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, taxes, duties, freight and other incidental expenses related to acquisition and installation of the concerned assets are further adjusted by the amount of CENVAT credit and VAT credit availed wherever applicable and subsidy directly attributable to the cost of fixed asset. Interest and other borrowing costs during construction period to finance qualifying fixed assets is capitalised if capitalisation criteria are met.
- b) The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. Similarly, when significant parts of plant and equipment are required to be replaced at intervals or when a major inspection/overhauling is required to be performed, such cost of replacement or inspection is capitalised (if the recognition criteria is satisfied) in the carrying amount of plant and equipment as a replacement cost or cost of major inspection/overhauling, as the case may be and depreciated separately based on their specific useful life.

- c) Subsequent expenditure related to an item of tangible asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day to day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.
- d) Capital work-in- progress comprises cost of fixed assets that are not yet ready for their intended use at the balance sheet date and are carried at cost comprising direct cost, related incidental expenses and interest on borrowings their against.
- e) Preoperative expenditure and trial run expenditure accumulated as capital work in progress is allocated on the basis of prime cost of fixed assets in the year of commencement of commercial production.
- f) Gains or losses arising from disposal of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed off.

2.04 Intangible assets

a) Acquired intangible assets

Intangible assets including software licenses of enduring nature and contractual rights acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

b) Research and development cost

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and cost of the assets can be measured reliably.

- c) Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is disposed off.

2.05 Depreciation and amortization

- a) Depreciation on tangible assets is provided on prorata basis on straight line method over the useful lives of assets and in the manner prescribed in Schedule II of The Companies Act, 2013.
- b) Plant and Machinery, Tools and Equipment and Electrical fittings and installations in Crumb Rubber Plant, Steel Plant and Cut Wire Shot Plant are depreciated over the estimated useful life of 12 years, which are different than those indicated in Schedule II of Companies Act, 2013. Based on technical assessment, the Management believes that the useful lives as given above best represent the period over which the Management expects to use these assets.
- c) Leasehold buildings are depreciated over their useful life of Ten years based upon their respective lease agreement.
- d) **Amortisation of intangible Assets :**

Intangible assets are amortised on a straight line basis over their estimated useful life of six years.

2.06 Investments

"Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Current investments are carried in the financial statements at the lower of cost and fair value of each investment individually. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize any decline, other than temporary, in the carrying value of each investment. "

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

2.07 Inventories

- i) Raw Materials, Stores and Spare parts are valued at cost. Materials and other items held for use in the production of inventories are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost. Raw Material, Stores and Spares & and Raw Material contents of work in progress are valued by using the first in first out (FIFO) method.
- ii) Finished goods are valued at cost plus excise duty or net realizable value whichever is lower. The finished goods are valued by using weighted average cost method. Cost of finished goods includes direct Raw Material, labour cost, allocable overhead manufacturing expenses and excise duty.
- iii) Work-in-progress are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.
- iv) The stocks of scrap materials have been taken at net realisable value.
- v) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.08 Foreign currency transactions

Foreign currency transactions and balances

- i) **Initial recognition**
Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.
- ii) **Conversion**
Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.
- iii) **Exchange differences**
Exchange differences arising on conversion / settlement of foreign currency monetary items and on foreign currency liabilities relating to fixed assets acquisition are recognised as income or expense in the year in which they
- iv) **Bank Guarantee And Letter of Credit**
Bank Guarantee And Letter of Credits are recognized at the point of negotiation with Banks and converted at the rates prevailing on the date of Negotiation. However, Outstanding at the period end are recognized at the rate prevailing as on that date and total sum is considered as contingent liability.

2.09 Retirement Benefits To Employees

i) Provident fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to provident fund are made in accordance with the relevant scheme and are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

ii) Gratuity (Unfunded)

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plan, is based on the market yields on government securities as at the balance sheet date. Actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss in the period in which they arise.

iii) Leave Encashment

Accrual for leave encashment benefit is based on actuarial valuation using projected unit credit method as on the balance sheet date in pursuance of the company's leave rules.

2.10 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

i) Sale of Goods:

Revenue from sale of Goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, and are recorded net of returns and trade discount. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company and therefore are excluded from revenue. Excise Duty is deducted from revenue (Gross) to arrive at revenue from operations (net). sales do not include inter-divisional transfers.

ii) Job Work

In case of Job works, the system of accounting in financial books are to consider net effect of material received and dispatched whereas in excise records complete details of input/ output quantity and excise duty is accounted for.

iii) Composite Services

In respect of Mobile blending unit where company has got composite price of material consumed & equipment rental, the rate for equipment rental is calculated on the basis of charge received under similar job work arrangements with government refineries and the remaining portion of income is considered as sale price of material

iv) Interest:

Interest income is recognized on a time proportion basis, except on doubtful or sticky loans and advances which is accounted on receipt basis.

v) Dividend from investment in Shares :

Dividend income is recognized when the right to receive the payment is established.

vi) Claims

Claims are recognised when there exists reasonable certainty with regard to the amounts to be realised and the ultimate collection thereof.

vii) Export Incentive

Export incentives under various schemes notified by the Government have been recognised on the basis of their entitlement rates in accordance with the Foreign Trade Policy 2015-20. Benefits in respect of advance licences are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and incentive will be received.

2.11 Future Contracts

Profit / Loss on contracts for future settled during the year are recognised in the Statement of Profit and Loss. Future contracts outstanding at year-end are marked to market at fair value. Any losses arising on that account are recognised in the Statement of Profit and Loss for the year.

2.12 Prior Period Items/ Extraordinary Items

Prior Period expenses/incomes, are shown as prior period items in the profit and loss account as per the provision of Accounting Standard-5 "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies" notified under the Companies (Accounting Standards) Rules, 2006 (as amended). Items of income or expenses that arise from events or transactions that are distinct from ordinary activities of the enterprise and are not expected to recur frequently or regularly are treated as extraordinary items.

2.13 Segment reporting**Identification of segments**

The Company's operating businesses are organised and managed separately according to the nature of products manufactured, with each segment representing a strategic business unit that offers different products.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole."

2.14 Taxes on Income

Tax expense for the year comprises of direct taxes and indirect taxes.

DIRECT TAXES

- i) Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

- ii) Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

- iii) Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as Current Tax. The Company recognizes MAT Credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on accounting for Credit Available in respect of Minimum Alternative Tax under the Income Tax Acts, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

INDIRECT TAXES

- i) Excise duty (including education cess) has been accounted for in respect of the goods cleared. The company is providing excise duty liability in respect of finished products
- ii) Service Tax has been accounted for in respect of services rendered.
- iii) Final sales tax / Value added tax liability is ascertained on the finalization of assessments in accordance to provisions of sales tax / value added tax laws of respective states where the company is having offices/works.

2.15 Impairment of assets

"The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life."

2.16 Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.17 Borrowing costs

"Borrowing cost includes interest and ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur."

2.18 Earning per share

Basic earning per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earning per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

2.19 Provisions and Contingent Liabilities

Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on the best estimates required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.20 Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

INDEPENDENT AUDITOR'S REPORT

To the Members of Tinna Rubber and Infrastructure Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Tinna Rubber and Infrastructure Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its Subsidiaries together referred to as "the Group") and its associates, comprising the consolidated Balance Sheet as at March 31st, 2017, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act. Those Standards require that we comply with ethical

requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph of the Other Matters below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

The Company has not provided interest amounting to Rs. 11,24,794/- as required under the provisions of section 16 of Micro, Small and Medium Enterprise Development Act, 2006 in respect of delayed payments to suppliers covered under the said Act. Consequently, the loss for the year ending 31st March 2017 is understated to that extent.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraphs, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the consolidated Balance Sheet, of the consolidated state of affairs of the Company as at 31st March, 2017;
- b) in the case of the consolidated Statement of Profit and Loss, of the consolidated loss for the year ended on that date; and
- c) in the case of the consolidated Cash Flow Statement, of the consolidated cash flows for the year ended on that date.

Other Matters

The consolidated financial statements include associate's share in profit of Rs.27,61,969/- for the year ended 31st March,

2017, in respect of M/s TP Buildtech Private Limited, which has been incorporated in India and prepared in accordance with the accounting principle generally accepted in India and have been audited by other auditors. Such audited financial statements, other financial information and the auditor's report thereon have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of associate and our report in terms of sub sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We/ the other auditor whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as appears from our examination of those books and reports of the other auditors;
 - (c) In our opinion, the consolidated Balance Sheet, the consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, does not have any adverse effect on the functioning of the Company.
 - (f) On the basis of written representations received from the directors of the Holding Company and Subsidiary Companies as on March 31st, 2017, taken on record by their respective Board of Directors and the reports of the auditors who are appointed under Section 139 of the Act, of its Associate company incorporated in India, none of the directors of the Group's Companies and its associate company incorporated in India is disqualified as on March 31st, 2017, from being appointed as a director in terms of Section 164(2) of the Act;
 - (g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - (h) With respect to the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, its subsidiary companies, and associate company incorporated in India, refer to our separate report in Annexure '1'; and
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (1) The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, and its associates;
 - (2) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - (3) There has been no delay in transferring amounts which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries, and associates incorporated in India, wherever applicable.
 - (4) The Holding Company, its subsidiaries and its associate company incorporated in India has provided requisite disclosure in Note no 33(32) to these consolidated financial statements as to the holding of Specified Bank Notes on November 8, 2016 and December 30, 2016 as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on our audit procedures and relying on the management representation of the Holding Company regarding the holding and nature of cash transactions, including Specified Bank Notes, we report that these disclosures are in accordance with the books of accounts maintained by the Group including its associate and as produced to us by the Management of the Holding Company.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF TINNA RUBBER AND INFRASTRUCTURE LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

To the Members of Tinna Rubber and Infrastructure Limited

We have audited the internal financial controls over financial reporting of Tinna Rubber and Infrastructure Limited ("hereinafter referred to as the Company"), its subsidiary companies and its associate company, which are incorporated in India, as of 31 March 2017 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company, its subsidiaries companies and its associate company, which are incorporated in India internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associate company which are incorporated in India have, maintained in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 SIGNIFICANT ACCOUNTING POLICIES

2.01 Basis of preparation

The financial statements of the Group have been prepared and presented in accordance with generally accepted accounting principles in India (Indian GAAP). The Group has prepared these financial statements to comply with all material respects with the accounting standards specified under section 133 of the Companies Act, 2013, read together with rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2.02 Use of estimates

The preparation of financial statements are in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, expenses and the disclosure of contingent liabilities at the end of reported period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in notes to accounts.

2.03 Principles of Consolidation

The consolidated financial statements relates to Tinna Rubber and Infrastructure Limited ('the Company'), its subsidiary Companies Tinna Trade Limited and B.G.K. Infrastructure and Developers Private Limited (the Holding Company and its Subsidiaries together referred to as the "the Group") and its associate company TP Buildtech Private Limited. The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the parent and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, revenues and expenses after eliminating intra-Group balances/ transactions and resulting profits in full. Unrealised profit/ losses resulting from intra-Group transactions has also been eliminated except to the extent that recoverable value of related assets is lower than their cost to the Group.
- b) Investment in Associate Companies have been accounted under equity method as per Accounting Standard, AS-23 "Accounting for Investment in Associates in Consolidated Financial Statements.
- c) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements. Differences in accounting policies have been disclosed separately.
- d) The difference between the cost of investment in the subsidiary, over the net assets, at the time of acquisition of share in the subsidiary, if any, is recognised in the financial statements as Goodwill or Capital Reserve as the case may be.
- e) Minority's share in net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholder's of the Company.
- f) Minority interest's share in net assets of 'the Group' is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the company's shareholders.

2.04 Tangible fixed assets

- a) Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, taxes, duties, freight and other incidental expenses related to acquisition and installation of the concerned assets and are further adjusted by the amount of CENVAT credit and VAT credit availed wherever applicable and subsidy directly attributable to the cost of fixed asset. Interest and other borrowing costs during construction period to finance qualifying fixed assets is capitalised if capitalisation criteria are met.
- b) The Group identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. Similarly, when significant parts of plant and equipment are required to be replaced at intervals or when a major inspection/overhauling is required to be performed, such cost of replacement or inspection is capitalised (if the recognition criteria is satisfied) in the carrying amount of plant and equipment as a replacement cost or cost of major inspection/overhauling, as the case may be and depreciated separately based on their specific useful life.
- c) Subsequent expenditure related to an item of tangible asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss for the period during which such expenses are incurred.
- d) Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the balance sheet date and are carried at cost comprising direct cost, related incidental expenses, interest on borrowings their against and other directly attributable costs. The allocation of pre-operative expenditure cumulated as capital work in progress is done on the basis of prime cost of fixed assets in the year of commencement of commercial operations.

- e) Preoperative expenditure and trial run expenditure accumulated as capital work in progress is allocated on the basis of prime cost of fixed assets in the year of commencement of commercial production.
- f) Fixed assets retired from active use and held for disposal are stated at the lower of their net book value or net realisable value, and are shown separately. Any expected loss is recognised immediately in the statement of profit and loss.
- g) Gains or losses arising from disposal of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed off.

2.05 Intangible assets

a) Acquired intangible assets

Intangible assets including software licenses of enduring nature and contractual rights acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use and net of any trade discounts and rebates.

- b) Subsequent expenditure on an intangible asset after its purchase/completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standard of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

c) Research and development cost

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when it is probable that the future economic benefits that are attributable to the asset will flow to the Group and cost of the assets can be measured reliably.

- d) Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is disposed off.

2.06 Depreciation and amortization

- a) Depreciation on fixed assets is provided on prorata basis on straight line method except in case of Tinna Trade Limited (the subsidiary) where depreciation is provided on written down value method using the useful lives of assets and in the manner prescribed in Schedule II of The Companies Act, 2013.
- b) Plant and Machinery, Tools and Equipment and Electrical fittings and installations in Crumb Rubber Plant, Steel Plant, Reclaim Rubber Plant and Cut Wire Shot Plant of the Company are depreciated over the estimated useful life of 12 years, which are lower than those indicated in Schedule II. On the basis of technical assessment, management believes that the useful lives as given above best represent the period over which the assets are expected to be used.
- c) Leasehold buildings are depreciated over their useful life of 10 year based upon their respective lease agreement.
- d) **Amortisation of intangible Assets :**

Intangible assets are amortised on a straight line basis over their estimated useful life of 4-6 years

2.07 Investments

"Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. "

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

2.08 Foreign currency transactions

Foreign currency transactions and balances

i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

iii) Exchange differences

Exchange differences arising on conversion / settlement of foreign currency monetary items and on foreign currency liabilities relating to fixed assets acquisition are recognised as income or expense in the year in which they arise.

iv) Bank Guarantee And Letter of Credit

Bank Guarantee And Letter of Credits are recognized at the point of negotiation with Banks and converted at the rates prevailing on the date of Negotiation, However, Outstanding at the period end are recognized at the rate prevailing as on that date and total sum is considered as contingent liability.

v) Forward Contracts

Premium/Discount arising at the inception of forward exchange contracts which are not intended for trading or speculation purposes are amortised over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date.

2.09 Inventories

- i) Raw Materials, Stores and Spare parts are valued at cost. Materials and other items held for use in the production of inventories are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost. Raw Material, Stores and Spares and Raw Material contents of work in progress are valued by using the first in first out (FIFO) method.

- ii) Finished goods are valued at cost plus excise duty or net realizable value whichever is lower. The finished goods are valued by using weighted average cost method. Cost of finished goods includes direct Raw Material, labour cost, allocable overhead manufacturing expenses and excise duty.
- iii) Work-in-progress are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.
- iv) Stock-in-trade (Traded Goods) are valued at lower of cost (FIFO Basis) and net realisable value. However, in case of subsidiary company, M/s Tinna Trade Limited, inventories are valued at lower of cost (on specific identification method basis in respect of purchase of imported stock in trade and FIFO basis in respect of purchase of domestic stock in trade) or net realisable value.
- v) The stocks of scrap materials have been taken at net realisable value.
- vi) Packing material are valued at cost only.
- vii) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.10 Retirement Benefits

i) **Provident fund**

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to provident fund are made in accordance with the relevant scheme and are charged to the statement of profit and loss for the year when the contributions are due. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognises contribution payable to the provident fund scheme as an expenditure, when an employee renders the related services.

ii) **Gratuity (Unfunded)**

The Group's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plan, is based on the market yields on government securities as at the balance sheet date. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

iii) **Leave Encashment (Unfunded)**

Accrual for leave encashment benefit is based on actuarial valuation as on the balance sheet date in pursuance of the Group's leave rules.

2.11 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

i) **Sale of Goods:**

Revenue from sale of Goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, and are recorded net of returns and trade discount. The Group collect sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economics benefits flowing to the company and therefore are excluded from revenue. Excise Duty is deducted from revenue(Gross) to arrive at revenue from operations (net). sales do not include inter-divisional transfers.

ii) Sale of Services

Revenue from Clearing and Forwarding services are recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists no significant uncertainty with regard to collection of the same. The Group collects service tax on behalf of the Government and, therefore, these are not economic benefits flowing to the Group and hence are excluded from revenue.

iii) Warehouse Income

Warehouse income is recognised to the extent due under the terms of lease or agreements/ arrangements entered with the concerned parties and there exists no significant uncertainty with regard to collection of the same.

iv) Job Work

In case of Job works, the system of accounting in financial books are to consider net effect of material received and dispatched whereas in excise records complete details of input/ output quantity and excise duty is accounted for.

v) Composite Services

In respect of Mobile blending unit where company has got composite price of material consumed & equipment rental, the rate for equipment rental is calculated on the basis of charge received under similar job work arrangements with government refineries and the remaining portion of income is considered as sale price of material

vi) Commission income

Revenue in respect of commission received on direct sales to the customers is recognised in terms of underlying agreements on confirmation by the parties on fulfilment of the terms of the agreements with their customers.

vii) Cargo handling operations

Income from cargo handling operations is recognised on completion of the contracted activity.

viii) Export incentives

Export incentives under various schemes notified by the government have been recognised on the basis of their entitlement rates in accordance with the Foreign Trade Policy 2015-20 (FTP 2015-20). Benefits in respect of Advance Licenses are recognised when there is reasonable assurance that the Group will comply with the condition attached to them and incentive will be received.

ix) Interest:

Interest income is recognized on a time proportion basis, except on doubtful or sticky loans and advances which is accounted on receipt basis.

x) Dividend from investment in Shares :

Dividend income is recognized when the right to receive the payment is established.

xi) Claims

Claims are recognised when there exists reasonable certainty with regard to the amounts to be realised and the ultimate collection thereof.

xii) Commodities future contracts

Profit/Loss on contracts for commodity futures settled during the year are recognised in the statement of Profit and Loss. Commodity future contracts outstanding at year-end are marked to market at fair value. Any losses arising on that account are recognised in the Statement of Profit and Loss for the year.

2.12 Government Grants and Subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that

- (a) the Company will comply with all the necessary conditions attached to them; and
- (b) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognised as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to a specific Fixed Asset, the same is shown as a deduction from the gross value of the asset concerned in arriving at its book value and accordingly the depreciation is provided on the reduced book value.

2.13 Prior Period Items/ Extraordinary Items

Prior Period expenses/incomes, are shown as prior period items in the profit and loss account as per the provision of Accounting Standard-5 "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies" specified under section 133 of the Companies Act, 2013 read with rule 7 of Companies (Accounts) Rules ,2014. Items of income or expenses that arise from events or transactions that are distinct from ordinary activities of the enterprise and are not expected to recur frequently or regularly are treated as extraordinary items.

2.14 Segment reporting

"Identification of segments The Group's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. Secondary segment: Geographical Segment Secondary segmental reporting is performed on the geographical locations of the customer i.e. within India and Overseas"

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated Items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment Accounting Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

2.15 Taxes on Income

Tax expense for the year comprises of direct taxes and indirect taxes.

DIRECT TAXES

- i) Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 and Income Computation and Disclosure Standards enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.
- ii) Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Group has unabsorbed depreciation or carry forward tax

losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Deferred tax assets and Deferred tax liabilities are offset, if a legally enforceable rights exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

- iii) Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as Current Tax. The Group recognizes MAT Credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset in accordance with the Guidance Note on accounting for Credit Available in respect of Minimum Alternative Tax under the Income Tax Acts, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Group reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

INDIRECT TAXES

- i) Excise duty (including education cess) has been accounted for in respect of the goods cleared. The company is providing excise duty liability in respect of finished products
- ii) Service Tax has been accounted for in respect of services rendered/received and is accounted and when there is no uncertainty in availing/utilising the credits thereof.
- iii) Final sales tax / Value added tax liability is ascertained on the finalization of assessments in accordance to provisions of sales tax / value added tax laws of respective states where the company is having offices/works.

2.16 Impairment of assets

"The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

2.17 Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.18 Borrowing costs

"Borrowing cost includes interest and ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost."

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

2.19 Earning per share

Basic earning per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earning per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

2.20 Provisions and Contingent Liabilities

Provisions

A provision is recognized when the Group has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on the best estimates required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

2.21 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

2.22 Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less and are subject to insignificant risk of charges in value.

10 Corporate Social Responsibility

As per the provisions of Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014, every company, which either has a net worth of Rs 500 crore or a turnover of Rs 1,000 crore or net profit of Rs 5 crore, during any financial year (i.e. any of the three preceding financial years) needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility activities. Therefore in accordance with the said provisions, the Subsidiary Company (Tinna Trade Limited) has made the provision of Rs.3,57,144/- (Previous year Rs.8,74,166/-) towards Corporate Social Responsibility to be spent on the prescribed activities under the Corporate Social Responsibility guidelines. The total unspent amount as on 31st March, 2017 is Rs.4,96,213/- (Previous year Rs.13,32,325/-).

However, the Holding Company has contributed a sum of Rs.1,37,500/- (previous year Rs.46,700/-). In view of Guidance Note on Accounting for Expenditure on Corporate Social Responsibility Activities, issued by the Institute Of

Chartered Accountant Of India, no provision for the amount of Rs.19,14,646/- (Previous year Rs.9,72,832/-) which is not spent i.e. any shortfall in the amount that was expected to be spent as per the provisions of the Act on CSR activities and the amount actually spent at the end of a reporting period, may be made in the financial statements. Accordingly, provision for unspent amount has not been made in the financial statements. The same shall be covered in the report to the Board of Directors as per the provisions of section 135(5) of the Companies Act, 2013.

- 11** The Subsidiary Company B.G.K. Infrastructure and Developers Private Limited is entitled to a Capital Subsidy of Rs.3,00,21,300/- under Rural Godown Scheme as Grameen Bhandaran Yojna under the aegis of NABARD for construction of Rural Godowns which was extended as operation upto FY 2013-14. Under the schemes the subsidy was to be released by NABARD to all institutions that would be eligible for NABARD refinance or such institutions as may approved by the Government of India. The Company being eligible, has made application through the ICICI Bank Ltd. on 27/03/2014 for capital investment subsidy for Rural Godowns situated at Akola, Yavatmal & Washim alongwith all the requisite documents required for disbursal of Advance Subsidy (50%) to Regional Office of NABARD in Pune. Subsequently, the Company received the confirmation from NABARD that Advance Subsidy (50%) is approved for all 3 rural godowns at Akola, Yavatmal and Washim on 29.08.2016. Accordingly the Company has recognized the advance subsidy(50%) amounting to Rs.1,50,10,650/- and credited the same to the carrying cost of fixed assets as per advance subsidy calculations.

The advance subsidy of 50% is yet to be received due to want of funds from Directorate of Marketing and Inspection. Further, the Company shall be eligible for the remaining subsidy of 50% after conduct of an inspection by a Joint Inspection Committee comprising of officers from NABARD, financing bank and Directorate of Marketing & Inspection (DMI) in the concerned state. Pending such inspection and approval, the said remaining subsidy has not been recognized in the financial statements.

- 12** Accounting for leases has been done in accordance with Accounting Standard-19 (specified under section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2014) as discussed below:-

The details of lease transactions are as under:-

Operating Lease (Company as a lessee):

- i) The group has entered into following operating lease agreements:
- a) The holding company has entered into operating leases for factory buildings and lands that are renewable on a periodic basis and cancellable at company's option. The holding company has not entered into sub-lease agreements in respect of these leases.
 - b) Tinna Trade Limited (a subsidiary company) has entered into cancellable lease transactions mainly for office and godown premises for the period 11 months. Normally there are renewal and escalation clauses in these contracts.
- ii) The total of future minimum lease payments under non cancellable leases are as follows:
